## EXPERIENCE

### GRAPHIC DESIGNER (Title Harmonization)

Gartner Inc. (including L2 Inc., acquired by Gartner) | Jul 2015 – Sep 2025

- Managed 10+ projects concurrently on a regular basis (peak 20–25 active projects), prioritizing deadlines and maintaining quality across rapid revision cycles.
- Published an average of 5–7 deliverables weekly, producing client-facing reports, infographics, and event materials in a fast-paced environment.
- Led early-stage stakeholder alignment through 1:1 calls to clarify objectives, constraints, and inputs; facilitated live review sessions as needed to accelerate revisions and approvals.
- Maintained high accuracy using structured documentation, version control, and quality checks to ensure consistency and error-free delivery under tight timelines.
- Built and maintained reusable templates and styling systems to improve consistency, quality, and speed.
- Onboarded and mentored associate designers, sharing workflows and quality standards to strengthen team delivery.

*Earlier roles: Lead Graphic Designer (2020–2021); Senior Graphic Designer (2017–2020); Graphic Designer (2015–2017)*
